Presentation of products or services

The purpose of the exhibition program is to present products and/or services relevant to the participant's professional interests. The exhibitors should emphasize instruments, products or services for use in teaching and research, books and other publications in scientific fields of relevance to the interests of the participants. For the public, and in particular for students, the exhibition shall also have an educational character.

INTERCOM reserves the right, at its sole discretion, to accept or deny applications for exhibition space and to allocate space among exhibitors.

Companies and organizations are cordially invited to present their services and products at the EMBO Workshop CILIA2022 conference. The exhibition will take place in the foyer of the lecture hall close to the keynote talks. The coffee breaks of the Conference are located in the same halls to encourage interaction between the industrial exhibition and the conference participants. We encourage you to register early to avoid disappointment.

If you are interested in one of the following sponsorship packages or if you have any questions or need further information, do not hesitate to contact us.

We look forward to welcoming you in Cologne.
